<b>Action Plan</b>	The Coalition’s Strategic Action Plan is a summary of the strategies and activities the coalition will support with staff and finances during the 2017/2018 school year. It is specifically designed to address our community’s vulnerabilities according to the data we’ve collected and reviewed.
<b>Logic Model</b>	The Coalition’s Logic Model is our theory of change. It summarizes our vulnerabilities, short- and long-term consequences of doing nothing, our action plan, and our plan for evaluation (to ensure we are actually accomplishing what we set out to accomplish). Our funder holds us accountable to performing the work described in the logic model and action plan documents.
